JANUARY 2018

EXHIBITION OF TEXTILE MACHINERY & UTILITIES

Ichalkaranji being a well known decentralized textile city, where the activities include spinning, weaving, processing, knitting, nonwovens and garment manufacturing. About 35 spinning mills having state of the art machineries are producing world class yarn. Weaving comprises over 1.0 lakh plain power looms, 20,000 automatic looms, 160 sizing units & 12000 shuttleless weaving machines. There are about 75 processing houses and about 100 garment manufacturing units. Due to easy availability of skilled and unskilled manpower, abundant water, technical and R & D support from DKTE and very conducive atmosphere for industrial growth, many leading business houses from India and overseas have their plants setup in and around Ichalkaranji. Several high tech textile parks and garment parks are established. Govt. of India had implemented Textile cluster development scheme to Ichalkaranji & Center of Excellence in Nonwovens at DKTE to enhance development of Textile Industry.

Rotary International is one of the biggest NGO in the world rendering services to humanity through more than 32,000 clubs in 210 countries. Rotary Club of Ichalkaranji Central, a well known social organization, since its inception in 1992 undertakes activities in social, cultural, educational, medical and vocational fields. Since last 25 years Rotary Central along with DKTE has been working for improvement and growth of textile business in and around Ichalkaranji.

DKTE Society's Textile & Engineering Institute is working with the view to fulfill the requirement of technicians for growing need of industry. Apart from education and spreading of knowledge, DKTE is always on the forefront to support the industry in various aspects like Turnkey projects, troubleshooting, training, product development and R & D. With a view to disseminate knowledge and information to the growing industry about the recent advancements in the Textiles, Garments and Accessories, Rotary Club of Ichalkaranji Central and DKTE Society's Textile and Engineering Institute as a part of their regular activity have decided to organize 'TEXPOSURE 2018' a Textile exhibition on 11th to 14th January 2018. Leading Textile Machinery manufacturers, accessories & utilities manufacturers will be exhibiting their state of the art technology and products. We are going to organize Buyer Seller Meet also.

This mega event will be extremely beneficial for technocrats, manufacturers, entrepreneurs, R & D organization, academia and students as it will be highlighting on new methods, technologies and possibilities.

Rotary Central and DKTE; solicit your co-operation and support in following ways.

- B Sponsorship
- B Exhibiting your products
- B Releasing Advertisement of your organization in souvenir
- B Encouraging maximum number of delegates to visit the exhibition.

Your whole hearted support will go a long way in making this event a grand success.

Rtn. Pradeep Gandhi

President
